## SCHOOL OF JURISPRUDENCE NOTES.

A COURSE in Military Law has been given by Professor A. T. Wright during the first half and will again be offered during the second half of the college year. Professor F. S. Philbrick, of the School of Jurisprudence, and Professor R. H. Lowie, of the Department of Anthropology, will give a seminar course in Socio-Legal Institutions during the spring term.

At the beginning of the current half-year in August, the number of students enrolled in the School of Jurisprudence was slightly over fifty-one per cent of those in attendance during the previous year. By December the percentage had dropped to forty-two, leaving seventy-three registered students. A list follows of those who have gone directly from the School of Jurisprudence into the service of the national government since the declaration of war.
